PERSONAL PROFILE

I am a web designer with over 6 years of experience, transitioning from Graphic Design into Web Design in 2020. Adept at crafting visually appealing, user-centered, and responsive websites across diverse industries including finance, education, logistics, entertainment, and more. Proven expertise in collaborating with various stakeholders, from start-ups to established organizations, ensuring website functionality, performance, and aesthetics. Certified in Professional Web Design and SQL Database Management. Currently serving as a Web Designer and Web Administrator for several companies.

PROFESSIONAL OBJECTIVES

To obtain a challenging career opportunity where I can fully utilize my skills, potential, and training to contribute meaningfully to the company's growth and success.

CORE COMPETENCIES

- **Web Design:** WordPress, Responsive Design
- **UI/UX Design:** Figma, User-Centered Design
- **Graphic Design:** Adobe Photoshop, Canva, CorelDRAW
- **Web Development Tools:** Elementor, WIX, WooCommerce, Shopify
- **Web Administration:** DNS Management, Site Monitoring, Website Maintenance
- **SEO/Performance Optimization:** SEO Best Practices, Google Analytics, PageSpeed Insights
